# Weddings on the Farm

Start your new life together on beautiful Kildara Farm. Located in Deep Cove just 5 minutes from the Swartz Bay Ferry terminal, Kildara features extensive English country gardens, a breathtaking ocean and mountain view, mature apple orchard and is just steps away from the beach. Have your photos taken right on the property, while your guests mingle in the garden or play lawn games amongst the roses-whatever your wishes, Kildara Farm offers the very best of country elegance.

The Kildara team takes care of all your structure set up and tear down, so no roping family and friends into running around on the wedding day! You relax and enjoy your day with all the people that mean the most to you knowing we have taken care of all the details. As for cleanup, we do that too, you just have the best day ever and head off into the sunset—we will arrange a time after the wedding for you to pick everything up.

Our renovated great barn is a beautiful building carefully constructed with posts and beams milled right from the property. Expansive views over the flower cutting garden and ocean beyond provide the perfect backdrop for you and your guests to dance the night away! Our newly constructed patio and covered pergola provides shade when needed and rain cover for ceremonies in case of inclement weather. We work with the best caterers who use produce right from the farm so your guests can enjoy a truly unique farm-to-table feast! Contact Picnic, Food For Thought or Truffles Catering and let them create the menu of your dreams! For a fun, fresh and delicious option, Katia's Kitchen is a fantastic Mexican food truck. Other caterers considered, just ask!

There are several reception and ceremony options for you to personalize your wedding—garden, orchard, forest, barn, loft, you tell us your vision and we will do our best to create the perfect plan for you.
